

DELTA GRACE is a not-for-profit, multi-denominational, faith-based organization that matches mission teams with those in need of minor home repairs.

Delta Grace is a year – round mission hub that houses mission teams from all over the United States. These mission teams pay a fee to stay at our mission hub and these funds are used to purchase material needed for the repairs. Mission teams are made up of youth and adults that are willing to work on homes of local residents that need a little extra help in minor home repairs. This work is done at little or no financial cost to the home owner. Each home owner is asked to fill out the brief form on the back of this brochure, explaining the need of work to be done. Delta Grace will then review every application and home owners will be notified if their home is chosen as a mission project. Homes must be located less than an hour from Sunflower, MS.

- ◆ Our purpose is to share God’s grace by using our hands and feet to do His work.
- ◆ Our goal is ensure that every local family is connected with a community of faith so that they can continue to experience God’s grace and grow in His love.
- ◆ Our prayer is that the volunteers will transform the lives of those they serve and in turn have their lives transformed.

Requirements of Homeowners

- The homeowner must own and live in the home that is in need of work.
- The homeowner must be home while the teams are working on their home.
- If able, the homeowner must be willing to participate in the work being done on their home.
- The homeowner must give permission for the staff and volunteers of Delta Grace to work on their property and understand that the work will be performed by volunteers and are not paid professionals. There are no warranties made as of the quality of workmanship but all volunteers will do their best to provide safe and successful repairs. Each project is overseen by a skilled project manager of Delta Grace.
- It is important that the homeowner

understand that Delta Grace is a religious organization. We are a multi-denomination, faith based, not-for-profit organization. Our main purpose is to share God’s love by using our hands and feet to do His work.

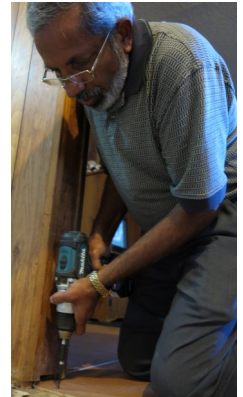

Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. I Peter 4:10 (NRSV)

Process once applications have been received:

- Prior to the teams arrival, a representative of Delta Grace will visit the home and assess the work to be done.
- Delta Grace will then match the skills of the incoming teams with the needs of the homes to be repaired. Please note that because there are so many homes in need of repair, there is a waiting list.

- Delta Grace will then notify the homeowner that their home has been chosen. The homeowner will be given a written list of the work that will be performed and an estimated time that the work will be completed.

Please pray for God’s blessing on **Delta Grace**. Pray that the work we do within the Mississippi Delta glorifies our Lord. Pray that the missionaries that come to our community feel true Southern hospitality and experience the love of Christ.
